# CHRISTMAS TRADITIONS

Submitted by: Taylor Stevenson

## United States/Canada

Christmas trees are decorated and stockings are hung on the fireplace for Santa Claus to fill with gifts. Cards and gifts are exchanged with friends and relatives.

## China

The Christians in China light their homes with beautiful paper lanterns. Santa is called Dun Che Lao Ren. The children hang stockings just as we do.

## Japan

The Japanese decorate their stores and homes with greens. The only part of Christmas that they celebrate is the giving of gifts. HOTEIOSHA the priest is like our Santa Claus, and he brings the children their presents.

## Sweden

The Swedish people call Santa *tomte*, and see him as a gnome who comes out from under the floor of the house or barn carrying his sack of gifts for them. He rides in a sleigh drawn by a goat.

## Italy

In Italy, the main exchange of gift doesn't occur until January 6th, the day traditionally believed that the Wise Men reached the baby Jesus. Italy has *La Befana* who brings gifts to for the good and punishment for the bad. She is the same character as Russia's *Babouschka* who refused to give the Wise Men food and shelter. The nativity scene may have first been set up by Saint Francis of Assisi. This first one was set up in a cave outside of a village and the villagers were so impressed by the display that now many of the communities compete for the best nativity.

# Tiger Cheer Camp 2010

Thursday October 21, 2010 the cheerleaders had the girls who attended their Tiger Cheer Camp perform at the Salina game. Every year the CHS cheerleaders hold a Tiger Cheer Camp for girls who are in kindergarten through fifth grade. Three days out of a week in July, they have this camp. The high school cheerleaders teach the girls cheers, chants, fun chants, and a dance during those days. They have the opportunity to perform the dance they learned at one of our football games halftime. Every year they have ton of girls who come out and perform. It's fun every year!

## **SENIOR NIGHT VS. KANSAS COMETS**

The Tigers ninth football game was an unforgettable one to say the least. Senior Night was very emotional for many of the Seniors. The Commerce Tigers matched up against the Kansas Comets in a game that was dominated by the Tigers offense. Commerce had a lot of success running the ball up and down the Kansas Defense, with the offensive line playing a great game. The offensive line helped Bryson Sullivan reach great stepping stone by breaking the record for most rushing yards in one game. Austin McMMain also had a great night rushing for 175 yards on 14 attempts, While Bryson had 387 yards on 23 attempts. The Commerce varsity Defense also did their part holding the Comets to 14 points. The Comets also added a late score against the Tigers JV team. The Tigers won this game easily 50-20. This Senior Night game will forever be engraved in the Seniors Minds.

The Tiger offense dominated the whole game with 368 yards total offense. The defense played just as good holding the Bears to 120 total yards. The Tigers second string played most of the second half allowing only a touchdown. The final score was 40-7.

## **National FCCLA Cluster Meeting**

Typed by: Song Yang Above articles written by Chelsie Bonham, FCCLA officer

On the November 5-7th seven members of Commerce FCCLA, plus Ms. Bolles and her daughter attended the National FCCLA Cluster Meeting in St. Louis, Missouri. On Friday the 5th, the members from Commerce, plus Wyandotte, Grove, and Vinita, shared a bus to St. Louis. They had an early start by leaving at five in the morning.

While in St. Louis, members attended many meetings that told them how to become leaders, how to get members more interested in FCCLA, and many other things. The meeting had many great speakers that really connected with the members in positive ways. When they weren't in meetings, the members got to tour historic places in St. Louis. They toured Union Station, the Arch, and Busch Stadium. While touring, they got to learn how the businesses ran, and the history of each business.

This trip was fun for the students, but it was also a great learning experience. They did not only learn all of those things, but they also made friends from nearby towns, and also from many different states across the country.

## **FCCLA Fundraiser for Shane**

On October 20, 2010 the Commerce FCCLA members held a fundraiser for one of their fellow students, Shane Sartin. Shane has a condition known as Chiari.

Chiari is an uncommon structural condition affecting the cerebellum. Essentially there is extra cerebellum crowding the outlet of the brainstem/spinal cord from the skull on its way to the spinal canal.

FCCLA decided they needed to raise money for Shane and his family to help pay off the many medical bills from his two recent surgeries.

Members of FCCLA baked a bunch of different sweets to sell at lunch. They also ordered pizza from Pizza Inn to sell. At one dollar for bag of sweets, and two dollars for a slice of pizza, no one expected that they would raise \$500 for Shane.

Before an assembly that day, five members of FCCLA presented Shane and his mother with their check. This fundraiser was just one of many other fundraisers FCCLA plans to do for Shane and his family.

## **NHS Remembrance Candlelight Ceremony**

On December 15th, 2010 The NHS club held a remembrance candle lighting ceremony. Mrs. Ng got names of people who wanted their friends or family members remembered. During the ceremony they lit candles for every person on the list. The students read poems, said prayers, and Mrs. Rhodes sang "Light a candle". Caleb Walls and Kody Varnell played "Silent Night" on their guitars. It was very meaningful to the families and friends of the deceased. NHS was very honored to hold the ceremony.

# Thanksgiving Trivia

by Jensen Kappus

The centerpiece of contemporary Thanksgiving in the United States and Canada is a large meal, generally centered around a roasted turkey. The majority of the dishes in the traditional American version of Thanksgiving dinner are made from foods native to the New World, as according to tradition the Pilgrims received these foods from the Native Americans. However, many of the classic traditions attributed to the first Thanksgiving are actually myths introduced later.

## Tiger Football Season Comes to a Heartbreaking Close

On November 18 the Commerce Tigers faced a large deficit going into the 2nd quarter of the second round playoff game against the Morris Eagles. The Commerce Tigers started off slow, and Morris stunned the tigers by scoring 21 points in the first quarter. The Tigers stepped it up in the 2nd quarter and started to make a comeback. The Tigers offense outscored Morris 28-7 in the second half. Commerce came out on top 38-35. On November 25 the Tigers traveled to Hennessey for the 3rd round playoff game. Hennessey defeated the Tigers 49-17, so unfortunately their season came to an end. Go Tigers!
