THE OKLAHOMAN'S GUIDE TO LIFE

Good judgement comes from experience, and a lot of that comes from bad judgement.

Lettin' the cat outta the bag is a whole lot easier 'n puttin' it back in.

If you get to thinkin' you're a person of some influence, try orderin' somebody else's dog around.

There's two theories to arguin' with a woman. Neither one works.

If you find yourself in a hole, the first thing to do is stop diggin'.

It don't take a genius to spot a goat in a flock of sheep.

When you're throwin' your weight around, be ready to have it thrown around by somebody else.

The quickest way to double your money is to fold it over.

Never miss a good chance to shut up.
