2008 - 09 CHEERLEADERS

The middle school had our cheerleading tryouts on Wednesday March 26 following Spring Break. We were pleased to see so many students show up for this competition. After the scoring of the individual and group routines was completed, we finally arrived at next year's cheerleaders. They are:

TESTING

Once again it is time for the state mandated testing. Both the students and the faculty here at CMS have been gearing up for this yearly event. This year there have been a few changes in the way the testing is to be done. For the first time the eighth grade will test on line in not only geography but also in math and reading. The students are excited and anxious to see how this new platform works.
