MS Christmas Program

The middle school staff and students were treated to a special Christmas program on Friday morning, December 21. The program consisted of the Commerce 4-H club performing a skit titled "Grandma got Run Over by a Reindeer." This was a parody

of the song by the same title. Mrs Rogers narrated the skit while the students acted out the scenes. Everyone got a laugh when the reindeer (a dog with cloth antlers) ran over "grandma" (Hunter Walls). Next, Shyanne Barr and Mia Loring, two of our eighth grade students, read the poem "The Night Before

Christmas." This was followed by seventh grade Crystal Harris who sang a solo Christmas song accompanied by a musical recording. Next, always a hit, the middle school cheerleaders delighted the crowd by performing routines to two of their marching competition concluding act was principal Kevin Wade amazed us by performing while at the same time with a few jokes. Everyone, both the faculty and the students, had a great time.

performing the Christmas songs. The elementary who once again magic tricks entertaining us

After lunch, each of the teachers had a movie in their respective classrooms, and the students were allowed to choose which of the movies they wanted to watch. Half way through the movies, the students were taken to the cafeteria and given a snack. Before returning to the movies they were also given a short break to stretch their legs. When the movies were finished, the students were taken to the gym for some volleyball competition or outside to play basketball.
