## CMS Christmas Program

The Commerce Middle School had its annual Christmas Assembly on the 16th of December. This year's program included a slight twist from years past... a student talent show. The program was hosted by eighth graders Jacee Morgan and Brooks Stevenson. After being treated to music and songs by the band and choir, the students got their turn to shine. Betsy Nino presented her interpretation of the poem "The Last Christmas" followed by Megan O'Dell singing

the popular "Jingle Bell Rock". Students from Mrs. McCoy's 1st and 2nd hour classes joined to present a short skit about Christmas while Katlyn Myers and Briela Rush recited a parody entitled "The week before Christmas". The program came

to its conclusion with the song "Rudolph the Red Nosed Reindeer" sung by Nani Castro and Madison Hogan. And the grand finale came with the CMS Cheerleaders performing part of their Christmas parade routine.

## EVENTS

### January

## Middle School Changes

The middle school teachers were given inservice on how to incorporate the Alpha Plus Learning System's methodology of proof of accountability into our daily routine.
