8TH GRADE LOCK IN

The Commerce Middle School eighth grade students decided this year on a lock-in at the Joplin Olympic Fitness Center located in Joplin, Missouri on Friday, May 6, 2009 for their class trip. The students will leave our school grounds and be taken by bus to the fitness center. Once there, the lock-in lasted from 7:30 until 11:00 p.m. During their time at the center, the students will be able to play racquetball, wallyball (an indoor version of volleyball) and basketball; They will also allowed to run on the track and swim. The weights and exercise equipment are not allowed for safety reasons. While at the center, they will also be furnished drinks and snacks. Following the lock-in the students will be transported again by bus back to the middle school where they are to be picked up by their parents. At this time nearly all eighth grade students are planning to attend.

Middle School Baseball

The CMS baseball team finished their season in a tournament at Wyandotte on Tuesday May 3. Although the season was a particularity unusual one with most of the games having to be canceled due to the weather, the boys who participated are glad they were able play those games they had. Starting the season with only eleven players most were forced to play each entire game with few substitutions. They ended the season with a 2 win and 5 loss record, but the players on the team say that the record is not a true picture of their athletic ability. They played hard and like most teams had a few cases of bad luck. This year's team members included: Brooks Stevenson, Daniel Hutson, Trenton Barr, Dillon Hall, Bryen Cunningham, Bret Davis, Randy Baumann, Hunter Flaherty, Dylan Treece, Freddy Montour and Amaro Canales.
