Middle School Softball Comes to an End

After a tough season, the Lady Tigers softball team concluded its season. The team was 2-14 with wins over Salina and Welch.

"Tiger Eyes" Making a Difference

This year, Commerce Middle School had implemented the character education program "Tiger Eyes." Students are given a Tiger Eye card when a teacher sees them exhibiting behavior that goes above and beyond the norm. The students chosen are then put into a drawing for a test exemption, an assignment exemption, and an off-campus lunch (see students below).

Mark Snow, Britney Bachman, and Heather Shrum.

Out of all the students entered for the month, the "Top Tiger" students are then drawn. This month the "Top Tiger" students were Myla Miller and Lucas Freeman (look for them in an upcoming issue of the Miami Newsrecord).

Congratulations to all the Tiger Eye winners! Keep up the good work!
