## CMS CHEERLEADERS

The Commerce Middle School is proud to announce this year's middle school cheerleaders. These girls have given up much of their free time throughout the summer as well as during each

week. We really appreciate all they do to help promote school spirit.

## Parent Teacher Conferences

This year the middle school has once again opted to have our parent teacher conferences on two separate evenings. The first will be on September 9th and the second will be on September 16. Both will begin at 3:30 p.m. following a short break after school and continue until 6 p.m. We plan to inform all parents of the changes to school policy including the inclusion of the ZAP program and explain how these changes will affect their children.

## Middle School Softball

Our middle school girls started their softball season two weeks before school actually started. They were required to be at the practice field at 7 a.m. to prepare for this year's season. We have had a few ups and downs so far, but we are pleased to have a 6 - 5 record with four games left in the season.
