Make A
Difference!

Vol. 7, No. 9 April 2006

A note from:

Mr. Wade

Elementary Principal

On Monday, April 10 students in 3rd, 4th and 5th grades will begin state mandated testing. We want to encourage parents to help their child to do the best they can.

During the test week it is very important for students to get plenty of sleep, eat a good breakfast and arrive at school on time. Parents are encouraged to visit with their children about the test and encourage them to do their very best.

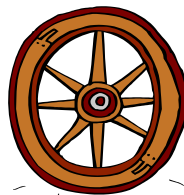

Your child received a "2006 Oklahoma School Testing Program Guide for Parents, Students and Teachers." This publication has a lot of good information. Please read over the guide and use it to help your child perform their very best on the exam. Assistant Principal, Mr. Brough, also provided each class with additional information to take home.

If you have any questions, please call your child's teacher or contact me personally.

CONGRATULATIONS

MS. Armstrong
Alexander Elementary
Teacher of the Year!

5 Ways to Do Well on Your Test

1. **Follow test directions carefully.**
2. **Read all of the answers before you choose one.**
3. **If you don't know an answer, make the best guess you can.**
4. **Fill in the test bubbles completely.**
5. **Stay relaxed—take some deep breaths.**

Let's Get Ready For Testing

Tests help you show how much you know.
Don't get stressed—just do your best!
