

Alexander Elementary

Parents Make A Difference!

Vol. 11 No. 9 May 2009

A note from:

Mr. Wade

Elementary Principal

CALENDAR CHANGE OUR LAST DAY OF SCHOOL IS NOW FRIDAY, MAY 15!

Due to the recent passage of HB 1864 school districts throughout Oklahoma now have the opportunity to adjust their school calendar. The new law allows schools to make changes beginning with the current school year.

The bill allows schools to count time based upon minutes or days. Due to the time Commerce students spend in school each day and because we had two "snow days" built in the calendar we are able to change our last day of school to May 15 rather than May 22.

We are currently making changes to try and accommodate as many of our school activities already planned. Parents and patrons are encouraged to contact the school to confirm dates and times of any planned activities by calling 675-4336.
