

Things To Do This Summer!

“Keep Learning At The Top Of Your List Of Things To Do This Summer!”

There are many opportunities for your child to enjoy a break that includes both fun and learning. Here are just a few ideas:

Mr. Wade’s Principal’s Reading Challenge- Students who are in PK -2nd grade are challenged to read 25 books over the summer. Students in grades 3rd -5th grade are challenged to read 1,000 pages over the summer. Students who meet this challenge will receive a special reward in August when we return back to school. **Students must keep a log with the dates when each book was read, the name of the book and the number of pages in the book.** To help meet this challenge, I encourage you to use the Miami Public Library as a source for a wide selection of books to read. All logs are due by Thursday, August 24, 2017.

Boys & Girls Club of Ottawa County (Miami)- Spots are limited. Lunch will be provided. Fun activities daily including trips to the Miami pool, Public library, games and science experiments! Ages 6 and up, all fees are income based with many scholarships available. For more information or to inquire about applications call 918-540-1641.

Miami Public Library Summer Reading Program- The theme this year is “Build A Better World”. For more information call 542-9363.

Church Camps & Bible Schools- Many churches provide an opportunity for children to attend fun and exciting camps and bible school during the summer months. Contact your local church for more information.

Summer break is also a great time to have fun as a family. Be sure and find plenty of time to get out and enjoy each other’s company.
